NEW WORLD NEWS

Q: Got Hope? A: Yes!

March 2012

The challenges we face can be difficult even to think about. Climate change, the depletion of oil, economic upheaval, and mass extinction together create a planetary emergency of overwhelming proportions. In their new book, *Active Hope*, [Joanna Macy](#) and [Chris Johnstone](#) demonstrate how to strengthen our capacity to face this crisis so that we can respond with unexpected resilience and creative power.

To kick things off, [Joanna](#) and [Chris](#) are inviting you to join them for an online, trans-Atlantic conversation to discuss *Active Hope* and the role you can play in the collective transition, or Great Turning, to a life-sustaining society. For more information and to register for the March 21st call, go [here](#). We also invite you to join the [Active Hope Facebook community](#) for more inspiration, resources, and connecting.

We are offering all books featured in this month's newsletter at 30% off with free shipping in the continental U.S. for orders of \$35.00 or more. Offer good through Friday, March 30, 2012.
